REPORT
TC/L.01/18.05

Subject: Proposed Changes to Parking Restrictions in Bondi Junction

TRIM No: SF17/2867

Author: Colin Handsaker, Manager Customer Parking

Director: Rachel Jenkin, Acting Director, Waverley Life

COUNCIL OFFICER'S PROPOSAL:

That Council replace signage associated with ticket parking within Bondi Junction to reflect the changes to meter operating times as shown in the table below.

1. Executive Summary

At the May 15 meeting Council resolved to remove the fee for all parking meters in Bondi Junction after 6 pm commencing 1 July 2018, and a report be prepared for the May Waverley Traffic Committee about the required changes to signage.

There are currently 85 parking meters in operation within Bondi Junction with meters in operation for varying times between 8.00am and 9.00pm daily. When the meters are switched off at 6.00pm the associated signage will need to be replaced to reflect the new operating hours.

This report is to recommend the replacement of signage associated with ticket parking within Bondi Junction to reflect the changes to meter operating times.

2. Introduction/Background

On 10 October 2017, Council resolved to receive a report outlining the implications of and options for a number of parking proposals, one of which was turning off parking meters in Bondi Junction at 6 pm daily, year-round.

Following extensive community consultation in April 2018, including a phone and online survey, Council received strong support for cutting off the meters in Bondi Junction after 6pm. Many residents surveyed commented that this would benefit local businesses as well as encourage visitors to park closer to the commercial hub and away from residential streets.

The consultation report was tabled at the Council meeting on 15 May 2018.

Council resolved to remove the fee for all parking meters in Bondi Junction after 6 pm commencing 1 July 2018, and a report be prepared for the May Waverley Traffic Committee about the required changes to signage.

3. Technical Analysis

There are currently 85 parking meters in operation within Bondi Junction with meters in operation for varying times between 8.00am and 9.00pm daily. When the meters in non-residential streets are switched off at 6.00pm the associated signage will need to be replaced to reflect the new operating hours as per the table below.

To provide further information to motorists, advisory signage will be installed on the altered meters indicating Free Parking after 6.00pm.
