## **Background**

Council would like to express its sincere gratitude firstly to the Waverley community and secondly to the broader Australian community for its response following the horrific terror attack at Chanukah by the Sea at Bondi Beach on Sunday 14 December 2025.

While this attack deliberately targeted our Jewish community, it was an attack on all Australians. Our Waverley community has always been and remains a resilient and tight-knit community where people support each other and look out for one another in the good times and the bad. This has never been so evident in the days and weeks following the attack. The paddle-out by surfers and board riders, the honour guard of lifesavers standing shoulder to shoulder across Australia's beaches and the thousands of people who came to pay their respects are testament to the spirit of our community and that of the Australian people.

Council recognises the extraordinary bravery and selflessness of the first responders and everyday heroes, the police and emergency services, our businesses, our residents, and all those who showed acts of kindness, both big and small, in the days and weeks that followed.

Council would also like to acknowledge the support provided from mayors and councillors from across Australia, as well as acknowledge the assistance provided by the NSW State Government.

Council also recognises the outpouring of grief and support from countless dignitaries and local government officials from Australia and across the world in the form of condolence letters and messages.

Council would like to outline our response to the attack so far.

At an emergency meeting on Tuesday 16 December 2025, Council allocated \$100,000 to community organisations that provide vital direct support to the Jewish Community.

The NSW Reconstruction Authority, NSW Health and Lifeline community services have operated a Community Hub from 23 December 2025 to offer immediate and wide-ranging support to those affected within the Yalagang Room, the Garu and Guya courtyards and the Artist Studio in the Art Gallery. Council notes that this Hub will operate until the end of January 2026. Council has also allocated an additional space for Lifeline to continue offering mental health support services to impacted community members on a temporary but ongoing basis.

Council relocated a Chanukiah from Military Road in Dover Heights to Bondi Park on Tuesday 5 January to serve as a temporary memorial until a permanent memorial is established. This Chanukiah was designed by Jewish artist Joel Adler, in partnership with the Jewish Climate Network, and was commissioned by Waverley Council in 2025 as part of its investment into Chanukah decorations for the community. It is a contemporary interpretation of a Chanukiah, fitted with solar power to light the 'candles.' A plaque will be added to the Chanukiah to read as follows:

*This temporary memorial honours the fifteen souls murdered in the attack on our community on the first night of Chanukah on 14 December 2025. In their memory we choose light over darkness.*

Council also facilitated a temporary kiosk located in Park Drive North adjacent to North Bondi Playground to be used by the community as a place for connection and prayer.

Flags on all Council buildings were flown at half-mast for a two-week period beginning 15 December 2025. In addition, Council suspended all advertising campaigns from 16 December 2025 and, where possible, replaced visuals with commemorative messages for the community. It has committed to additional and ongoing messaging to highlight the resilience and hope of the Bondi and Waverley community.

Beginning on 22 December 2025, Council supported the Sydney Jewish Museum and the Australian Jewish Historical Society and their volunteers to preserve elements of the floral tribute at Bondi Pavilion as it was decommissioned. Council notes that the Jewish community plans to use some of these items, from dried flowers to gifts and cards, in permanent memorials and artworks commemorating victims and survivors.

Council will continue to honour the victims and the survivors of the attack. It will also recognise the heroism of those who put themselves in harm's way with no concern for their own individual safety or welfare. Council intends to award a 'Key to the City'—including a lifetime Waverley beach pass—to Ahmed al-Ahmed, Gefen Bitton and Leibel Lazaroff. Council will also host a civic function to show

appreciation and gratitude for all first responders and make recommendations about potential recipients of the Prime Minister's Special Honours List, including posthumous commendations for Boris and Sofia Gurman and Reuven Morrison.

**Mayor Will Nemesh**  
Waverley Council  
PO Box 9, Bondi Junction 1355

Dear Mayor Nemesh,

On behalf of the legislators, mayors, councilmembers, councillors, and elected officials of the Combat Antisemitism Movement (CAM) coalition, we write to express our deepest solidarity with you and the Waverley Council community following the antisemitic terror attack on December 14, 2025, at Bondi Beach in Sydney.

In this horrific attack, gunmen opened fire on members of the Jewish community who had gathered to celebrate the first night of Hanukkah, the Festival of Lights, killing 15 people, injuring dozens of others, and sending shockwaves around the world. The deliberate targeting of Jews during a moment of prayer, celebration, and spiritual meaning was not random. It was an attack on Jewish identity, on memory, and on the values that bind our democratic societies together. Such violence must be named for what it is: pure and simple antisemitism.

As elected leaders from around the world, we see firsthand that antisemitism is not an abstract threat. We see how it manifests in our streets, our schools, our communities, and online, and how quickly intimidation can escalate into violence when it is tolerated, minimized, or excused. Cities are on the front lines of this fight, but governments at every level must fully assume their responsibility to protect Jewish communities, confront antisemitism decisively, and ensure that those who incite or commit hatred face real consequences.

Mayor Nemesh, we stand firmly with you as you lead your community through this moment of tragedy and horror, and we stand with the Jewish community of Sydney and across Australia. You are not alone. Our coalition remains united in our commitment to keep our cities safe for all residents and to confront hatred and violence without hesitation or ambiguity.

Please convey our condolences to the victims and their families, and our sincere wishes for strength, healing, and resilience in the days ahead. We also want to recognize your commitment to confronting antisemitism and strengthening community cohesion, including your leadership and your participation in two Mayors Summits Against Antisemitism. We commend the steady moral clarity you have shown over time, and we reaffirm our collective determination to confront antisemitism wherever and whenever it appears.

With solidarity and respect,

The attachment contains information that would, if disclosed, prejudice the maintenance of law.
2. Notes that the Chanukiah designed by artist Joel Adler has been repositioned from Dover Heights to 'Archer Park' and will serve as a temporary memorial for the community in response to the Bondi Beach terror attack until a permanent memorial can be established.
3. Notes that the NSW Government will lead future conversations with the families of victims, Waverley Council and the Jewish community about the establishment of a permanent memorial.
4. Notes that the commencement of these conversations will be led by the NSW Government supported by Waverley Council, with the timetable yet to be determined.
5. Provides a number of dedicated Bondi Beach Sea Wall mural panels for 12 months along the Bondi Beach promenade with a select expression of interest process to engage artists.
6. Officers curate a reflective visual arts exhibition in Bondi Pavilion Art Gallery showcasing the cultural and community artistic response to the tragedy, and that this exhibition be a collaboration with Shalom Collective incorporating local creatives.
7. Notes that Council commissioned a Bondi Park Bridges and Barrier – Structural Recommendations Report in 2024, which concluded that both the north and south heritage-listed pedestrian bridges across Park Drive in Bondi Park are reaching the end of their useful life and require replacement within several years.
8. Noting that the replacement of the northern pedestrian bridge may form part of a future discussion of a permanent memorial, requests officers to prepare a report to Council to determine the cost, timetable and approvals process for a replacement and/or restoration of both heritage-listed pedestrian bridges, and notes that this resolution does not make a determination on the future of these heritage bridges, only that further assessment will be undertaken.

9. Rescinds resolution PD/5.3/25.03 that proposed to progress design, consultation, approvals and construction of a modified half court in Bondi Park, located to consider the future playground expansion.

## **Background**

Waverley Council continues to work with the families of the victims, the NSW Government and the Waverley community including the Jewish community to honour those whose lives were lost as well as the survivors following the terror attack at Chanukah by the Sea on 14 December 2025. The process for a permanent memorial at Bondi Beach and Park will be led by the NSW Government. Council acknowledges that there are many beautiful ideas, but this consultation process will take time.

As the process for a permanent memorial will be ongoing, Council will in the interim provide access to the Bondi Beach Sea Wall for a more immediate commemoration response through an EOI process. In addition to this, Council relocated a Chanukiah from Military Road in Dover Heights to Bondi Park on Tuesday 5 January 2026. This Chanukiah was designed by Jewish artist Joel Adler, in partnership with the Jewish Climate Network, and was commissioned by Waverley Council in 2025 as part of its investment into Chanukah decorations for the community. It is a contemporary interpretation of a menorah, fitted with solar power to light the 'candles.'

Council also has facilitated a temporary kiosk located in the Park Drive North adjacent to North Bondi Playground to be used by the community as a place for connection and prayer.

In preparation for Council's Strategic Assessment Management Plan (SAMP) 7, Council commissioned SDA structures to review the structural condition and remediation requirements of the two heritage-listed pedestrian bridges over Park Drive in Bondi Park (the northern heritage-listed bridge being the primary location of the Bondi Beach terror attack on 14 December 2025). The pedestrian bridges (south and north) are both heritage-listed items locally and listed within the Bondi Pavilion, Beach and Park Plan of Management, required under the *Crown Lands Management Act*.

A further report was commissioned by SDA structures in August 2024 to consider the recommendations and remediation of the pedestrian bridges in light of the structural review of adjacent and adjoining assets to the bridges (including but not limited to the walls, paths, stairs). The findings of the report determine that the bridges are nearing the end of their useful life and require replacement in the next few years, with a few options available for Council to consider. Any decision Council makes should be considered in the context of any future discussion on the establishment of a permanent memorial in Bondi Park to honour the victims of the Bondi Beach terror attack. This mayoral minute does not require Council to make a determination on the two heritage-listed pedestrian bridges.
